Local Business Prospects

Invoice Auto-Entry for QuickBooks • Roseville/Rocklin/Lincoln CA Area

1. Coffee Shops / Cafes

Bloom Coffee, Fourscore Coffee, Independent Cafes

Pain: Multiple food/beverage vendors, daily invoices

Approach

Morning visit, buy coffee, ask about bookkeeping pain

"How long does invoice entry take you each week?"

2. Auto Repair Shops

Shops on Douglas Blvd, Rocklin Rd

Pain: Parts invoices from NAPA, O'Reilly, multiple distributors

Approach

Drop in during slow afternoon (2-4pm)

"Do you have someone typing all these parts invoices into QB?"

3. Property Management

RNB Property Management, Local PM Firms

Pain: Maintenance invoices from contractors, multiple properties

Approach

LinkedIn connect, reference existing workflow (have sample invoice)

"I noticed you get invoices like this one — want to automate it?"

4. Restaurants / Bars

Pacific St, Vernon St (Old Roseville)

Pain: Daily food/beverage deliveries, invoices pile up

Approach

Visit before lunch rush (10am), ask for manager/owner

"What happens if invoices don't get entered for a week?"

5. Home Services

HVAC, Plumbing, Electrical (2-5 employees)

Pain: Parts invoices, subcontractor bills

Approach

Yelp search, cold call, offer to come by

"Is bookkeeping keeping you from more billable hours?"

6. Retail Boutiques

Downtown Roseville, Fountains area

Pain: Vendor invoices for inventory

Approach

Shop as customer, strike up conversation with owner

"How do you handle all the vendor paperwork?"

7. Medical / Dental Offices

Small practices (1-3 providers)

Pain: Equipment invoices, supply orders

Approach

Call office manager, ask for 5 minutes

"Would less paperwork time mean more patient time?"

8. Landscaping / Lawn Services

Companies with crews, maintenance contracts

Pain: Fuel invoices, equipment repairs, subcontractor bills

Approach

LinkedIn, local business groups

"Are you losing invoices before they get to your bookkeeper?"

9. Construction / Remodeling

Local GCs, kitchen/bath remodelers

Pain: Material invoices, change orders, multiple suppliers

Approach

Home Depot parking lot visits (common meeting spot)

"What if invoices from suppliers auto-posted to QB?"

10. Professional Services

Legal, CPA, Insurance (1-5 people)

Pain: Software subscriptions, professional services

Approach

Chamber of Commerce directory, networking events

"Is manual invoice entry worth your billable rate?"

Cold Approach Script

Opening

> *"Hi, I'm [Name]. I'm building a tool that reads invoice emails and posts them straight to QuickBooks — no typing. I'm testing it with local businesses. Mind if I ask how you handle invoices now?"*

Discovery Questions

- "How many invoices do you get per week?"
- "Who enters them into QuickBooks?"
- "How long does that take?"
- "Ever lose an invoice before it got entered?"
- "What's your biggest headache with bookkeeping?"

The Ask

> *"Would you be open to trying it for free for a week? I just need you to forward 5-10 invoice emails to a test address and tell me what breaks. No commitment, just feedback."*
