Invoice Auto-Entry

For QuickBooks Users

❌ The Problem

- Invoices pile up in your email
- Manual typing into QuickBooks
- 5-10 minutes per invoice
- Easy to lose or forget invoices

✅ The Solution

- Forward invoice emails to us
- We extract data automatically
- 30 seconds, zero typing
- Every invoice saved & encrypted

How It Works

1. Forward invoice email
2. We extract the data
3. Appears in QuickBooks
4. PDF archived securely

What You Get

⚡ **Zero Data Entry** — We read the PDF, you approve in QB

🔒 **Never Lose an Invoice** — Encrypted archive, searchable

📱 **Works Anywhere** — Forward from phone, desktop, any email

✅ **Any Vendor** — No integration needed, works with all PDFs

> *"I went from 2 hours of bookkeeping to 10 minutes. This paid for itself in the first month."*
>
> **— Sarah K., Coffee Shop Owner, Roseville**
